PRIZED WORKS OF ART CHERISHED BY COLLECTORS

Halcyon Days enamel boxes are meticulously designed and crafted in England following enameling techniques perfected more than two hundred years ago. Just as the hand-painted originals were coveted by the aristocracy of the Georgian period, today Halcyon Days Enamels are prized by Royalty, Heads of State and collectors around the world for their delicate images and fine craftsmanship. Six separate inspections in the production process ensure each piece meets the strictest standards of quality. Halcyon Days enamels are incomparable collectors items gifts par excellence and are destined to become the cherished antiques of tomorrow.
